Dear Ms. Mahony:

The above-referenced project is subject to MBE/WBE and Local Hiring Preference ordinances as applicable under the Redevelopment Agreement for this project. As of the date of this letter, there are no outstanding compliance issues regarding the general construction of the Brickyard Shopping Center.

Since the development has met the compliance requirements, I am recommending close out the construction phase of general construction of the project. We appreciate your time and effort in the successful completion of this project. We look forward to working with you on future developments.

Very truly yours,

Jennifer M. Buxtin
